WORK EXPERIENCE

CreoWis - Remote | UX Designer Intern | 15th April, 2024 - 28th June 2024

- Worked directly with the CEO and stakeholders to understand project requirements and deliver high-quality design solutions aligned with business goals.
- Identified and resolved UX issues, contributing to a **26%** increase in user satisfaction based on post-launch feedback.

Riverhouse Technologies - Office | UI/UX Designer | 29th June, 2024 - Present

- Designed and improved user experiences across **20+** web and mobile projects, increasing engagement and product adoption.
- Contributed to business growth by generating **6+** high-value leads through user-centered design solutions.
- Created wireframes, prototypes, and user flows to streamline communication and support faster design iterations.
- Collaborated with developers, product managers, and stakeholders to align UX with business and technical goals.
- Enhanced user experience and brand consistency, directly supporting overall business growth and strategic objectives.

PROJECTS

Cyberminds

- **Case Study** : https://www.behance.net/gallery/225507547/Cyberminds
- **App Link** : https://play.google.com/store/apps/details?id=com.cyberminds&pcampaignid=web_share
- Built a platform to teach cybersecurity through interactive games and real-world challenges, making learning easy and engaging.

Everything Culture

- **Case Study** : https://www.behance.net/gallery/226144105/Everything-Culture
- **Website Link** : https://everythingculture.in/
- Built a review platform to help job seekers access transparent company insights, employee feedback, and ratings for informed career decisions, trusted by over **10,000** users within a short span of time.

Carbonero

- **Case Study** : https://www.behance.net/gallery/227699441/Carbonero
- Created a carbon credit marketplace to simplify trading, reduce delays, and ensure secure, transparent transactions.
